

GINKOUBAI HANNYA TOU

A long, long time ago there was a very beautiful girl who was married to a rich man in the royal family. For a time, they were very happy together. But one day, she discovered her beloved husband had betrayed her, and was cheating on her with many women. She was so devastated and refused to believe it, and she did not even ask him about it. But her stress and jealousy continued to smolder inside her body, until it consumed her entirely and she lost her humanity, making herself into a demon. In life, sometimes fire comes after sweetness.

Just like this sake.

**Sweet & Spicy
Japanese Plum Sake**

Are you brave enough to face the fire?
