Rouquette's vineyards are situated around the town of Rauzan, in the Entre du Mers region of Bordeaux. Here, the chalk and clay soils are ideal for producing soft supple Merlot and lightly peppery Cabernet Franc. The grapes are harvested by machine from vines averaging 20 years in age. Maceration lasts three weeks followed by one week of fermentation. The wine is aged for one year in stainless steel and concrete tanks before being bottled.

TASTING NOTE

Dry, medium bodied and fresh, with light tannins, soft plum flavors and spicy hints of sweet pepper.

FOOD PAIRING

Very versatile. Enjoy with grilled meats, hard cheeses, pizza or pastas.
