

# Ozeki Hana Awaka Yuzu

Sparkling  
Hyogo, Japan

## Sake Specs

Alcohol: 5%

Sake Meter Value: -60

Polishing Rate: 70%

Packaging: 12/250ml

## Taste Profile

Yuzu is a beloved Japanese citrus that tastes as if you married a lemon and a clementine. Its exotic, yet familiar profile is endlessly refreshing. A fun alternative to your everyday citrus.

## Food Pairings

Makes a wonderful aperitif on a summer day, or to brighten up a winter night. Food pairings include coconut shrimp with lime, vegetable tempura, or avocado salad. Think tropical. Think sunshine.
