

Ikezo Berry

Sparkling Jelly Sake
Hyogo, Japan

Sake Specs

Alcohol: 5.5%

Sake Meter Value: -60

Packaging: 30/180ml

100% Vegan

Taste Profile

Very berry flavors of blueberry, cranberry, and strawberry. Light purple hue. A fun jelly textured is sure to delight. Think jell-o shots!

Food Pairings

Pair with friends and celebration. A great addition to parties. Try it in a martini glass with raspberries and blueberries...maybe even a cocktail umbrella.
