

Ikezo Yuzu

Sparkling Jelly Sake
Hyogo, Japan

Sake Specs

Alcohol: 5.5%

Sake Meter Value: -60

Packaging: 30/180ml

100% Vegan

Taste Profile

Yuzu is a Japanese citrus fruit that tastes like a cross between a tangerine and a lemon. A fun jelly textured is sure to delight. Think jell-o shots!

Food Pairings

Pair with friends and celebration. A great addition to parties. Try it in a martini glass with a twist of lemon and orange...maybe even a cocktail umbrella.
