

# BADIA ALLE CORTI

## Montepulciano d'Abruzzo

Montepulciano d'Abruzzo DOC, Italy

### GRAPE VARIETY

100% Montepulciano

### VINIFICATION

This wine is made from Montepulciano grapes grown in the hilly section of Abruzzo on vineyards sloping down towards the Adriatic Sea. Following traditional vinification methods, mature grapes are harvested and soft pressed. Fermentation takes place at controlled temperatures followed by prolonged maceration with the skins intact. *Vegan friendly.*

### THE WINERY

Badia Alle Corti is produced by the Castellani family who has been producing wines in Italy since 1903. The family's business has grown over the decades, but their extensive history and experience producing quality wines continues to emphasize sustainable practices. The estate soils are fertilized naturally using Sovescio (green manuring). Vines are re-planted using Massal Selection from exceptional old vines (instead of nursery clones). Vineyards are diversified with multiple varieties and other crops – no monoculture. Even wild hares are bred in and live around the vines. In the cellar, with the exception of sulfites, no chemicals, additives, GMOs, grain, soy or dairy are used. The wines are vegan friendly and gluten free.

### TASTING NOTE

Intense ruby color with a fruity, pleasant and delicate nose. A robust, warm-hearted glassful of ripe, black fruit with a touch of wood, smoke and tar.

### FOOD PAIRING

Especially good with pasta and meat dishes. An ideal wine for any occasion.
