#### SELLING POINTS

- (1) 20 Liter Keg = 135 (5 oz.) glasses, 27 (750ml) bottles, 676 oz.

- **Convenience + Consistency** - Pre-mixed cocktails on tap are up to 4 x faster than mixing drinks, restocking fridges and opening and closing bottles. Quality and ingredient balance does not change according to the mixer.

- **Cost Savings** - Better margins, no wasted leftovers, employee hours saved, customers served faster

- **Freshness** - Cocktail kept at constant temperature, no air or light contact, each glass is as fresh as the first.

- **Space Savings** - A 20L keg = 27 bottles. Bottles use bar space. Kegs can be stored away from the bar.

- **Versatility** - Suitable for bars, restaurants, wine shops, hotels, catering, shows, festivals, summer patios

- **Environment** - A bar or restaurant serving 40 kegs per month will save almost 13,000 bottles/year.

#### THE WINERY

Boca Barrel is produced by Villa Serena, a family-owned winery located in Conegliano, Italy, in the heart of Prosecco country. Villa Serena was founded in 1881, and Luca and Giorgio - the 5<sup>th</sup> generation - run the winery now. Villa Serena introduced keg wines in 1987 and has been a category leader for over 30 years.
