*Carl Ehrhard and his family tend 22 acres of Riesling and Pinot Noir spread throughout six prime vineyards around the town of Rudesheim in the Rheingau region of Germany. The estate has been in the family since 1884 and was taken over in 1998 by Carl, his wife Petra and their three daughters. All of the work that goes into crafting these special wines is carried out by the family. The Ehrhards strive to make wines endowed with personality that express the unique character of their vineyards. The six vineyards – Berg Rottland, Berg Roseneck, Bischofsberg, Kirchenpfad, Klosterberg and Klosterlay are situated on the steep banks of the Rhein River and are maintained without the use of fertilizers or herbicides. In the winery, the Ehrhards embrace traditional methods and preserve fruit purity through minimal intervention, but with use of modern equipment. Roughly 7,000 cases total are produced annually. These precise, powerful wines are lively and fresh in their youth and develop great depth and character while maintaining clarity as they age.*
