VINIFICATION

The grapes for this wine come from an estate vineyard. The vines are cared for meticulously with very strict budding control, partial de-leafing, and green harvesting. No chemicals are used. After gentle pressing, the must is left to settle at a low temperature for 48 hours, followed by a slow fermentation to ensure maximum complexity and aromas. The wine is kept sur- lees for six months with regular stirring to obtain a rich, elegant wine.

TASTING NOTE

A brilliant straw yellow color with intense aromas of white peach and floral notes. On the palate the wine is fresh, well-balanced and lingering.

FOOD PAIRING

Bouillabaisse, roast chicken and savory white fish such as snapper.
