Taste Profile

Crisp, refreshing lemon infused cocktail base. Base spirit is naturally distilled rice shochu from Ozeki sake. No artificial sweetener is used.

Notes:

A simple high-ball of shochu, lemon, and club soda can be found in any Japanese bar. Ozeki Lemon-Sour offers an efficient, affordable, and delicious way for bars to easily add shochu cocktails to their bar programs. Effortlessly add flare like a sprig of rosemary or dash of ginger liqueur for exciting variations.
