## Taste Profile

Ozeki Yuzu Nigori adds a playful twist to a beloved style of sake. Refreshing yuzu and sweet rice combine to create a silky body with luscious tropical fruitiness. All-natural color and GMO free.

## Food Pairings

Try with green papaya salad, Banh Mi sandwiches with spicy slaw, or rainbow maki rolls. Cool the heat of spicy sriracha chicken wings! Try it after dinner with fresh fruit, or in a killer yuzu sake Piña Colada.
