

REINE DE LA VILLE

Pinot Noir

Île de Beauté IGP, Corsica, France

GRAPE VARIETY

100% Pinot Noir

VINIFICATION

Traditional vinification under controlled temperatures to allow for a good color extraction and retention of fresh aromas and fruit flavor. Three to six months aging in stainless steel.

REGION

Reine de La Ville Pinot Noir comes from the incredible Mediterranean island of Corsica. It is produced under the "Ile de Beaute" IGP which translates into "The Isle of Beauty." The wine's sunny origin is clear from it's fruity profile, but this is balanced out nicely by earthy elements, bright acidity and moderate tannin.

TASTING NOTE

Medium bodied and dry with bright fresh fruits that mingle with hints of licorice, mineral and a soupçon of spice notes.

SERVING SUGGESTIONS

Salmon, poultry and soft, light cheeses. Great with pizza and light pastas.
