

SPÑ

Spanish White Wine

Vino de La Tierra de Castilla,
La Mancha, Spain

GRAPE VARIETIES

100% Verdejo

VINIFICATION

Select grapes are harvested at night to retain freshness. These are destemmed and crushed by pneumatic press. Fermentation takes place via selected yeast in stainless steel tanks for ten days at 60°F. The wine is then cold stabilized and micro filtered prior to bottling.

TASTING NOTE

SPN is made from 100% Verdejo, a Spanish grape variety that makes distinctive, dry wines with bright citrus flavors. This is a smooth, refreshing, aromatic wine.

FOOD PAIRING

This versatile wine is an excellent aperitif, but makes a great match for seafood, grilled vegetables, fresh cheeses, and even fresh fruit.
